(Note _ While determining the permissibility of the posts as per the Government decision dated 03.11.2018, it is brought to your notice that the said permissive posts are not final as the review of the posts has not been finalized.)

1. The workload is calculated by taking into consideration the subsidized academic branches/departments/subjects operating in your college and the number of students admitted is permissible.
2. It is mandatory to enroll in the actual college for the number of students as specified in the proposal submitted by the college for fixing the post and the number of students certified by the university.
3. Mandatory number of students for grant and maximum number of students for workload calculation should be taken into consideration.
4. The batch (group) of the number of students prescribed as per government rules will be mandatory for candidates.
5. Five Lectures, Demonstrations, Tutorials, Project Work, The hours mentioned for these must be as per the rules prescribed by the Government.
6. According to the reservation policy of the government as per the posts allotted to the college it is necessary to validate the reservation point list through the prescribed authority.
7. In case of reduction in student enrollment in subsequent academic years or reduction in the workload of the aided department for any other reason, the sanctioned number of posts will be reduced.
8. As per the prevailing policy of the Govt., the post should not be recruited without the prior permission of the Govt. If any irregularity is found in the recent posts on such licensed post, the grant will be disallowed. Irregular appointment will be the responsibility of concerned management and college.
9. Posts are sanctioned on the basis of grant-in-aid of the college. For the post recruitment on permissible posts, it is necessary to submit a proposal and obtain a no objection certificate separately as per the prevailing policy and procedure of the government.
