### 13. COVID- 19 VACCINATION CAMP (28-10-2021)

As per the instructions issued by Hon'ble Director Higher Education Nagpur Department dated 25 October 2021, a Covid-19 preventive vaccination camp was conducted in the college on 28 October 2021 by Hon'ble Superintendent Upazila Hospital Kurkheda District Gadchiroli. To ensure that no student in the college is deprived of vaccination, information was collected through discussion and discussion with the entire students through mobile phone, phone and face-to-face visits. In this, 830 students were contacted. Out of these 549 students took both doses and 272 students took only one dose.

In the above camp, college students, teachers and non-teaching staff, villagers took the benefit of vaccination. 20 volunteers, 20 faculty and entire non-teaching staff cooperated to conduct this vaccination camp.

Despite the above efforts, 100% students of the college, all the villagers of Kurkheda village and the villages of the taluka have not completed the vaccination, once again along with 20 volunteers, they went to the villages in the area, went to chaika chaikat, chavadi, market, farm, house to house and encouraged about the covid vaccination and until complete vaccination was done. We won the Corona war by telling the villagers to ask us for help, not only by reaching the vaccination center but also by providing services at many vaccination centers by volunteers. The volunteers of National Service Scheme in the college did their service wholeheartedly without fearing that we too may get infected with Corona and may even lose our lives.

## 16. THREE DAYS TARUNYABHAN CAMP FOR SEXUAL AWARENESS, TRUE LOVE AND STUDY OF REPRODUCTIVE ORGEN (February 22-23 and 24 February 2022)

On February 22-23 and 24, 2022, a three-day 'Tarunyabhan' camp was conducted on the initiative of Senior Gynecologist Dr. Rani Bang, founder of Search Foundation Gadchiroli, for holistic development of college students and appropriate guidance on various problems of adolescent students. During the coming of age, curiosity about sexuality arises in boys and girls. But due to lack of proper guidance and bad association, they turn in wrong direction. This misdirection can harm the future, that's why SEARCH, an NGO organized a youth awareness camp to provide accurate and scientific information about sexuality. These include the physical and mental changes that come with age, the difference between attraction and true love. Structure and function of reproductive organs, responsible parenthood, selection of suitable partner, care and hygiene during menstruation, family planning and tools. Marriage and married life, responsible behavior in youth. Research experts Mr. Dnyaneshwar Patil, Rajendra Isasare and Mrs. Sunanda Khorgade provided guidance on all the above topics. More than 250 students attended the camp on all three days. All the present students were given certificates on behalf of the college.

## E- QUIZ ON ENTREPRENEURSHIP

The Institution's Innovation Council of Shri Govindrao Munghate Arts & Science College, Kurkheda organized 'Entrepreneurship Quiz' on September 14-09, 2021.

The idea of infusing entrepreneurship into education has spurred much enthusiasm in the last few decades. A myriad of effects has been stated to result from this, such as economic growth, job creation and increased societal resilience, but also individual growth, increased school engagement and improved equality. Putting this idea into practice has however posed significant challenges alongside the stated positive effects. Lack of time and resources, teachers' fear of commercialism, impeding educational structures, assessment difficulties and lack of definitional clarity are some of the challenges practitioners have encountered when trying to infuse entrepreneurship into education. What we mean when we discuss entrepreneurship in education differs significantly. Some mean that students should be encouraged to start up their own company. Why entrepreneurship is relevant to education has so far primarily been viewed from economic points of view.

**Objective:** The objective was to create a networked platform and ecosystem for early-stage entrepreneurs and to instill entrepreneurship culture among the students & faculties.

The what and why about the entrepreneurship knowledge, terminology related to entrepreneurship, etc., to students and faculties.

The day of September 14 2021 was selected as it is Hindi day.

## **National level Webinar on “NEP ”**

**“Education is Liberation, knowledge is Power”**

**Date- 6/9/2020**

On the occasion of Maratha Liberation Day and International Day of Microorganisms, a one day webinar on new educational policy was conducted online in association with Yogeshwari Mahavidyalaya, Ambajogai, Shivaji College, Renapur, Dnyanopasak Mahavidyalaya, Parbhani & Govindrao Munghate College, Kurkheda.

The main objective of this Webinar was to create awareness about the newly launched National Education Policy-2020 amongst teachers and to familiarize them with the skills to help them understand its nuances, curriculum changes, shift in the pedagogical skills and its implementation for the 360 degree holistic development of its stakeholders, the students.

The session began with the welcome note and introduction of the eminent Resource Person Former Vice-Chancellor of Swami Ramanand Tirtha Marathwada University Prof. Dr. Pandit Vidyasagar, who is a renowned name in the field of education for his expertise and experience of over 30 years and is an expert in conducting various competency building programs for mentoring the teachers, by the Vice Principal and IQAC head Dr. Abhay Salunkhe.

Former Vice-Chancellor of Swami Ramanand Tirtha Marathwada University Prof. Dr. Pandit Vidyasagar was the keynote speaker, Ganeshrao Dudhgavankar, President of Dhanopasak Education Institute and former minister, Shivajirao Kevekar, former MLA, Yogeshwari Education Institute President Dr. Suresh Khursal, Dandakaranya Educational Institute Gadchiroli President and Gondwana University Management Committee member and Govindrao College Principal Dr. Rajabhau Munghate was participated in the webinar.

The Principal, Dr. Rajabhau Munghate, after a welcome of the guest, in his keynote address shared that the New Education policy came into existence when the Union Cabinet chaired by the Prime Minister Shri Narendra Modi approved the National Education Policy-2020 on July 29, 2020. This is the third Education Policy in India after independence (1968, 1986 and 2020). The new National Educational Policy-2020 seeks to introduce and implement a sea of changes across all levels of education in India, including the essential understanding of education in the country. Principal Dr. Rajabhau Munghate said that policies are well planned but how it is implemented is important. Teachers should keep up-to-date information on changing educational matters. He asserted the need for training for that. He also said that it is the need of the hour for the teachers to inform about the new technology in online education and

convey it to the students. It is necessary to have unanimity in education in the central and state governments and reduce the gap between rich and poor. Principal Doctor Rajabhau Munghate also said that it is necessary to change the government's mindset towards education. Further he apprised the educators that the New Education Policy is based on the pillars of “access, equity, quality, affordability, accountability” and it will radically transform India into a “vibrant knowledge hub”. He talked about the PISA and Skill development programs for preparing future ready students.

Dr. Pandit Vidyasagar, former Vice-Chancellor of Swami Ramanand Tirth Marathwada University, reviewed the history of education in India and various educational commissions in India while giving guidance on the challenges and opportunities of the new education policy. He also gave extensive guidance on online education, autonomous etc.

President of Gyanopasak Shikshan Sanstha and former minister Ganesh Rao Dudhgaonkar presented the draft of the new education policy to the attendees. New educational framework, new educational changes elaborated. While elaborating on the importance of education through mother tongue, he asserted that it is necessary to emphasize on English education. He also introduced the concept of Cluster College. He expressed the important thought that the function of education is not only to build buildings but to raise the intellectual level of human beings.

Former MLA Shivajirao Patil Kevekar said that in the past, many intellectuals of the world used to come to Nalanda and Taxila universities in India, these were world universities and even today we are teaching the education method suggested by the education expert Lord Macaulay. He asserted the need for education based on spirituality, science and business with proper tools and employment oriented education. He said that today India needs a business-oriented and employment-oriented education system, not just focusing on mug education system. Further he added the NEP has introduced integration of Experiential learning, Competency based education and Art and Sport Integrated Education which was always present in our Indian Culture since the days of Gurukul.

Dr. Suresh Kurtale, president of Yogeshwari Education Institute, expressed his views that the government should take responsibility for the education of the poor. Further he shed light on the creation of a new structure in place of old, i.e., replacing 10+2 with 5+3+3+4. He shared that the substantial impetus placed on vocational education or hands-on learning in the new policy will give rise to multiple hybrid jobs. With the rapid progression of information technology, and to be able to offer the students a much broader, multidisciplinary foundation, he expressed the importance of using a holistic and multidisciplinary learning approach which will help the learners adapt and reinvent themselves to the demands of the new hybrid work culture and dynamic socio-cultural changes.

Dr. Abhay Salunkhe concluded the session by emphasizing on the challenges faced in New Education Policy – 2020. He also shared that pedagogical structures will be designed anew to be more appropriate and effective, based on children’s cognitive and socio-emotional development. The curriculum will be integrated and flexible with equal emphasis on all subjects and fields. There will be no separation of curricular, co-curricular or extra-curricular areas—with all in a single category of equal importance. Vocational and academic streams will be integrated and offered to all students. Examination systems will be radically changed to assess real learning, make them stress-free, and aim for improvement instead of the passing of judgments.

102 Teachers, professors, researchers, parents and students of India participated in this webinar. There was a Q and A session in which the teachers expressed their concerns and raised queries which were addressed by the Prof. Dr. Pandit Vidyasagar and Dr. Suresh Kurtale. For this Webinar Gyanopasak Mahavidyal Parbhani Principal Dr. P. S. Vakte, IQAC head Dr. Abhay Salunkhe of Govindrao Munghate College supported the speaker.

Dr. Abhay Salunkhe Vice Principal and IQAC head of Govindrao Munghate College proposed the vote of thanks. It was a very enriching and informative session. All the participants were filled with new zeal to start working on its implementation in their own spheres.

कुरखेडा • मराठी भाषेचे वैभव जपण्यासाठी व संवर्धनासाठी १ ते १५ जानेवारी या कालावधीत मराठी भाषा विभागातर्फे मराठी भाषा संवर्धन पंधरवाडा येथील गोविंदराव मुनघाटे कला व विज्ञान महाविद्यालयात आभासी पद्धतीने उत्साहात साजरा करण्यात आला. यावेळी व्याख्यान कार्यक्रमाचे सुद्धा आयोजन करण्यात आले होते. कार्यक्रमाच्या अध्यक्षस्थानी प्राचार्य डॉ. राजाभाऊ मुनघाटे होते. व्याख्यानाचे प्रमुख वक्ते डॉ. स्नेहा

महांबरे उपस्थित होत्या.

प्राचार्य डॉ. मुनघाटे यांनी मराठी मातृभाषेचे महत्त्व विषय करताना सांगितले की, काळाच्या ओघात अनेक भाषा लोप पावत आहेत. प्रत्येकांनी आपल्या मातृभाषेवर प्रेम करावे, तरच ती जिवंत राहील. भाषा एक संस्कृती आहे. तिचे जतन व संवर्धन करणे ही आपल्या सर्वांची जबाबदारी आहे, असेही प्रा. मुनघाटे म्हणाले.

सुप्रसिध्द वक्त्या डॉ. स्नेहा महांबरे यांनी संत ज्ञानेश्वरापासून तर संत तुकारामापर्यंतच्या साहित्यावर प्रकाश टाकला. दर बारा

मैलावर भाषा बदलते तर दर दहा मैलावर पाणी बदलते. पोर्तुगिजांचे आक्रमण यावर त्यांनी भाष्य केले. १५३० पासून धर्म समीक्षण समा व वेगवेगळ्या पध्दतीचे कायदे केले गेले. पोर्तुगिजांच्या पहिल्या कायद्याने हिंदू धर्मावर घाला घातला तर धर्म समीक्षणाच्या दुसऱ्या समेत देहांताची शिक्षा आदी, बाबींवरही त्यांनी विचार व्यक्त केले. गोव्याला पर्यटनासाठी येणारे पर्यटक केवळ समुद्रकिनारे बघतात. केवळ समुद्रकिनारे म्हणजे गोवा नव्हे तर तेथील मंदिरे, त्यातील परिसर, नंदादिब, अगरबत्तीचा सुगंध आस्वाद घेण्यासारखा आहे. समुद्र किनारी गोमंतक राहात असून गाव खेड्यात गोमंतकांचे वास्तव्य आहे, असेही मत डॉ. स्नेहा महांबरे यांनी व्यक्त केले. कार्यक्रमाचे संचालन मराठी विभाग प्रमुख प्रा. डॉ. नरेंद्र आरेकर तर आभार डॉ. गणेश सातपुते यांनी मानले.

पति,

मा. प्राचार्य

श्री. गोविंदराव मुनघाटे कला व विज्ञान महाविद्यालय, कुरुखेडा  
जिल्हा गडचिरोली.

नमस्कार,

वर्ष २०१५ ते वर्ष २०१८ पर्यंत आपल्या कॉलेज चे जिल्हा वार्षिक दारु-तंबाखू सर्व्हे करीता सहकार्य मिळाले. आपल्या कॉलेज मधील NSS अधिकारी व NSS विद्यार्थ्यांनी त्यात सहभाग घेतला. सहभागी विद्यार्थ्यांना अशा सामाजिक उपक्रमातून घरोघरी जावून सर्व्हे कसा करावा, सर्व्हे पध्दत, याचा प्रत्यक्ष अनुभव मिळाला. NSS अधिकार्यांनी सर्व्हे साठी योग्य मुलांची निवड करणे व सर्व्हे दरम्यान सुपरव्हीजन मधे मदत केली. याचा उपयोग इतर कामे करताना NSS च्या विद्यार्थ्यांना नक्कीच होईल.

या चार सर्व्हेक्षणां द्वारे असे कळते की २०१५ पासून आता पर्यंत दारु व तंबाखू / खरी कमी होत आहे. ही समाधानाची बाब आहे.

२२ जानेवारी २०१९ ला मा. मुख्यमंत्री यांच्या सोबत झालेल्या मुक्तीपथ कार्यक्रमा बद्दलच्या बैठकी मधे गोंडवाना विद्यापिठा तर्फे मिळत असलेल्या सहकार्यांचा गौरव करण्यात आला. मा. मुख्यमंत्री यांनी सुध्दा गोंडवाना विद्यापिठा चे कौतुक केले.

आजवरच्या या उत्तम सहभागाविषयी आपणास धन्यवाद देतो.

वर्ष २०१९ मधे सुध्दा आपल्याला असाच जिल्हा व्यापी दारु-तंबाखू सर्व्हे करायचा आहे, त्याकरीता आपल्या कॉलेजचे सहकार्य अपेक्षित आहे.

धन्यवाद.
